Thank you to everyone who helps support our choir, band and orchestra programs by purchasing scrip and also by purchasing the fundraising books we sold this fall. We give a very large "Thank You" to the parents who give their time to work on the scrip program and the other CBOP (Choir Band Orchestra Parents) activities. They help ensure that all of our students can continue to receive a quality experience in our music hub classes.

Thank you to St. Cecilia Music Society for the use of their beautiful facility.

Please do not use flash photography during the performance. Remember to turn off cell phones and pagers. Thank you for coming and we wish you a happy and safe holiday.

City High School Center for Instrumental & Vocal Music Hub Winter Showcase Concert
